The Record Department is entrusted with the many functions which result in a program of recorded music. Originally, it is the Record Department which purchases the record, catalogues it properly in the files. The WYBC files include classical as well as popluar records, and a large number of albums as well as over 2000 individual discs. Each day of boradcasting a variety of record shows are scheduled, ranging from request programs, to stirctly jazz ones, and dinner music to hours of uninterrupted music during study hours. These last programs are both semi-classical and classical, known to WYBC listeners as "Design for Study" and "Symphony Hall" From the variety of programs produced it is clear that the record department has room for men of equally varied musical talents and interests.

Dear Advertiser:

This is to inform you that our call letters have been changed from WOCD to WYBC. We have found this to be a necessity as it completes our break with the Yale Daily News, with whom we were formerly connected.

Our address is still the same. Please continue to mail all correspondence to Box 242A, Yale Station, New Haven, Conn. To avoid confusion be sure to address all checks and other correspondence to our new call letters.

James G. Damon, Jr.
Business Manager
